

LITCHFIELD PHOTO DAYS 2019

Wednesday, Sept. 4th – Friday, Sept. 6th

Make-up day Monday, Sept. 9th

Dear Litchfield Students & Parents,

Individual portraits will be taken of all students grades 7-12 in the school library. *All students must be photographed*, as these photos are used for school identification and the yearbook. Photos will also be made available for purchase. Students will be scheduled for their photos during their English classes. English teachers will inform students of their photo time and date on the first day of school. Middle School student sessions are on Wednesday 9/4. High School student sessions are on Thursday 9/5 and Friday 9/6. Monday morning, 9/9 is reserved for any students absent from their scheduled session.

Students, please be prepared on your picture day. Select an outfit you look and feel great in. Please be sure clothes are clean and wrinkle-free. Bring along a brush, comb and any products you may need to style your hair. *Warning* - wet hair and/or excessive styling products will cause your hair to appear greasy. Because photos are taken during class time, sessions need to proceed quickly and efficiently so that we may adhere to the schedule. Your promptness and cooperation are greatly appreciated.

It is not necessary to order photo packages "sight unseen". Instead, preview images will be posted online for you to view and order. A Constant Contact email message will be sent to alert you once images are available to view/order. You will have 2 poses from which to choose. If desired, portraits can be retouched for a reasonable fee. Orders may be placed at anytime during the school year. You can choose free delivery to LMS/LHS or ship to home (fees apply).

I look forward to our photo session!

Heidi
