

LMS/LHS PHOTO DAYS 2017
Wednesday, Sept. 6th – Friday, Sept. 8th
Make-up day Monday, Sept. 11th

Dear LMS/LHS Students & Parents,

Individual portraits will be taken of all students grades 7-12 in the school library. *All students must be photographed*, as these photos are used for school identification and the LMS Memory Book or LHS Yearbook. They will also be made available for purchase. Middle school students will be photographed on September 6th and high school students will be scheduled for their photos during their English classes on September 7th or 8th.

Students, please be prepared on your picture day. Select an outfit you look and feel great in. Please be sure clothes are clean and wrinkle-free. Bring along a brush, comb and any products you may need to style your hair. *Warning* - wet hair and/or excessive styling products will cause your hair to appear greasy. Because photos are taken during class time, sessions need to proceed quickly and efficiently so that we may adhere to the schedule. Your promptness and cooperation are greatly appreciated.

It is not necessary to order photo packages "sight unseen." Instead, preview images will be posted online for you to view and order. An electronic message will be sent to alert you once images are available to view/order. You will have 2 poses from which to choose. If desired, portraits can be retouched for a reasonable fee. Orders may be placed at anytime during the school year. You can choose free delivery to LMS/LHS or ship to home (fees apply).

I look forward to our photo session!
Heidi
